Ron Zimmerman attended the GPASA meeting, they are suppose to be having a meeting with the City of Pottsville on the 13<sup>th</sup> of February about the Phase 1,2 & 3 projects. My personal opinion is the City of Pottsville is starting to bock at going through what they need to do for this other project.

**Mayor Report-**

H Herndon received a handy-cap application for approval for Jodi Kuperavage, all requirements are intact.

A motion was made for approval of application: J McBreen motioned/M Borowski second the motion.

Also H Herndon feels as though outside of Borough Hall is unacceptable in appearance and feels he has to let everyone know not to drive the police cars off the pavement, there is an awful amount of mud on the sidewalk and he doesn't want anyone to slip and get injured.
